Helena, MT 59620-0500

Dear Senator Tropila;

I have sent SB 43 to my members and have not received any negative responses. MPA supports your efforts to pass this bill. The hearing for SB 43 is scheduled at the same time another bill MPA is interested in is scheduled. While I will try to get to this hearing, it is likely that I will be tied up in the other hearing. Please pass this letter or support to the Senate Business, Labor, and Economic Affairs committee members.

Regards:

David A. Galt
